

## Silk Matt

## Protect and shine with lacquers

A silk Matt floor gives elegance and sophistication. With its luxurious blend of silk and a subtle matte finish, it brings smooth and velvety to the touch. Maintaining a silk Matt floor is relatively simple. Its blend of silk and matte finish creates a visually stunning and inviting surface that enhances the overall ambiance of any room.

*\*The treatment is done on white oak floors and can vary in look depending on what type of wood and condition of the floor.*
