

Graphite

Deepen the feeling with coloured oil

The very dark, deep, and rustic tone of this colour creates a bold and striking statement that is sure to captivate attention. The dramatic and intense ambiance that it brings to any space adds depth and character. Its richness and depth create a sense of warmth and coziness comfort that can make any home feel more welcoming. While its dark tones tend to evoke a sense of mystery and drama, its rustic edge adds a subtle touch of natural charm that creates a unique visual appeal. This shade offers a timeless elegance that is both luxurious and enduring.

**The treatment is done on white oak floors and can vary in tones and look depending on what type of wood and condition of the floor.*
