

Umbra

Deepen the feeling with coloured oil

This colour provides richness and warmth to create a welcoming ambiance in your space. It has a unique blend of red that gives a darker and very warm tone. This bold and eye-catching colour is perfect for making a statement, adding a touch of sophistication to any room. And with its unique shade, you can be sure that your space will stand out from the crowd and give a welcoming feeling. This shade can be complemented with a range of interior design styles but goes best with a more rustic style.

**The treatment is done on white oak floors and can vary in tones and look depending on what type of wood and condition of the floor.*
