Bona®

Let’s Talk About Stain

Bona DriFast® Stain is a premium quick-drying stain for interior hardwood floors. The advanced technology formula provides speed and high performance for hardwood floor finishing professionals. Bona DriFast Stains are compatible with all Bona finishing systems, including waterborne. Blending base colors offers an unlimited color palette to meet your customer’s needs.

Save Money. Cover More Ground.

Bona's DriFast® Stain oil-modified formula is easy to apply and great to work with. There's enough open time to rework an area, or blend in sections of cut-up jobsites, without worrying about lap marks. The advancement in oil-modified stain technology assures adhesion of Bona finishes.
