- Quick connect attachments and integrated accessory storage
- Extremely quiet vacuuming experience (69 dBA)
- Automatic Filter Cleaning
 - HEPA Certified Filtration efficiency of 99.9% (M Class)
 - Easy filter access

DUST CONTAINMENT

Bona DCS® 50

PROFESSIONAL-GRADE DUST CONTAINMENT

The Bona DCS® 50 is a powerful, lightweight, and versatile vacuum featuring an automatic filter cleaning system that maintains efficient suction and delivers professional-grade dust containment throughout the sanding process.

In addition, the moisture-resistant, HEPA Certified, PES filter prevents dust from escaping into the air and surroundings, ensuring optimal indoor air quality. It's compact enough that it can easily be carried upstairs and maneuvered in hard-to-reach or tight areas.

CONTROL PANEL

The comprehensive control panel makes operating the Bona DCS 50 easy! The automatic filter cleaning can be set to clean at 15 or 60 seconds.

CHANGEABLE FILTER

Pair the HEPA Certified, PES filter with the fleece filter bag for 99.9% dust containment efficiency.

ERGONOMIC HANDLE

The ergonomic push handle adjusts to several positions for a comfortable work environment and easy transport.
