MEET THE BONA TEAM

Bill Price: Director of Athletic Surfaces

As the Director of Athletic Surfaces for Bona, and over 35 years of dedicated expertise in the wood flooring industry, Bill has cultivated a passion for excellence and innovation, and had the privilege of shaping the athletic experiences of countless teams and players for the past 24 years. As a 4th generation wood floor professional, Bill's deep-rooted love for craftsmanship and quality, led him to Sports Flooring at Bona. Over the years, he has honed his skills and knowledge, becoming a trusted consultant for the NBA and WNBA as well as all their teams. Through collaboration and strategic insight, Bill has helped elevate sports flooring contractors to new heights, enabling them to achieve their goals and deliver successful projects. His commitment to excellence extends beyond the hardwood, as he, along with his team (seen on this page), continue to push the boundaries of innovation in Athletic Surface Solutions.

Together, let's elevate the game, one floor at a time.

Phone: 617.510.8646 | **Email:** bill.price@bona.com

Phil Sanchez: National Sport Manager

Phil brings over 20 years of sales experience, specializing in custom colorization and tinting for sport floors. As a council member for industry organizations, MFMA and ASBA, he is dedicated to advancing industry standards and fostering collaboration. Phil's commitment to exceptional customer service and industry expertise makes him an asset in helping customers achieve their project goals using Bona's full system of Sport products.

I am passionate about helping customers achieve their future project goals and look forward to leveraging my skills and knowledge to help exceed your expectations with our unmatched system of products.

Phone: 970.396.2582 | **Email:** phil.sanchez@bona.com

Kyle Scholle: Sport Manager for the West Coast

Kyle's polished sales background and commitment to honesty and fairness, makes him an excellent asset to the Bona team. With a positive outlook and easygoing demeanor, Kyle builds trust and connections with clients and colleagues alike. His integrity and never-ending optimism lead to enjoyable encounters, exceptional results, and foster further collaboration.

Committed to delivering exceptional results with integrity, I navigate the sales landscape with grace and optimism, ensuring that every encounter is not just successful, but also enjoyable for all involved.

Phone: 307.922.4555 | **Email:** kyle.scholle@bona.com

George Chagnon: Sport Manager for the East Coast

George brings over 30 years of experience in hard surface sales and project management, specializing in sport surfaces and color evolution for sport floors. He has established and strengthened numerous contractor and distributor relationships throughout his career. Unique looks on Sport floors are constantly evolving. As a leader in Sport surfaces, George has knowledge of the complete system of abrasives, machines, coatings, and maintenance products by Bona, and is dedicated to supporting businesses in innovative ways using the full system of Bona Sport products.

Feel free to contact me for more information on how Bona Sport products can support your business.

Phone: 781.572.9987 | **Email:** george.chagnon@bona.com

Corey Heikamp: Territory Sport Contractor Specialist: Canada

With over 20 years of experience in the sports flooring industry, Corey brings a wealth of knowledge to his role as Bona's Regional Sport Manager for Canada. His expertise spans construction management, sales, and business development, with a passion for how biomechanics and surface design enhance athletic safety and performance. Corey works closely with clients to provide tailored support, whether it's guiding product selection or addressing complex project needs. His commitment to quality and innovation ensures every solution meets the highest standards for athletes and facilities alike.

WHY CHOOSE BONA?

For over 100 years, Bona has been the industry leader in innovative and premium product solutions for hardwood floors. We pride ourselves on our heritage, knowledge of the industry, training expertise and our passion for hardwood floors. As the industry changes and grows, Bona continues to focus on sustainability and our environment, while researching and producing quality products, systems and services that will benefit our customers and hardwood floors. We remain the only company in the industry to offer a complete product line, specifically designed for wood sport flooring systems, from daily maintenance, recoats to full sand and finish.

REASONS TO CHOOSE BONA:

1. Bona dedicates resources, both in facilities and expert personnel, to the research and development of products specifically for wood sport floors.
2. Total-solutions approach - only company in the industry who has a complete system of products for specific use on wood sport floors.
3. Green. We are committed to leading the industry in developing and promoting products that meet or exceed governmental standards for the environment. Bona waterborne sealers, finishes and waterborne gameline paints are all GREENGUARD certified for indoor air quality.
4. Bona Sport® finishes are MFMA certified. Bona SuperSport ONE®, Bona SuperSport DRIVE®, Bona SuperSport Elite® Gloss, Bona SuperSport Elite® Satin, Bona SuperSport MVP™, and Bona All Court® Poly are FIBA approved.
5. Bona finishes are used on many professional and collegiate wood sport floors.
6. Bona has the most experienced and best trained staff of world class wood sport floor solutions, and can use that experience to train and support your team.
7. Bona manufactures proprietary polymers so we have more control over the quality and performance of our products.
8. Bona pioneered the development and use of waterborne finishes and is active in reformulating safer products, removing ingredients such as NMP and APEO, amongst others.

We work hard to create products and systems that work together to provide exceptional results for hardwood floors around the world.

No other company in the industry can surpass our service, product development, training and commitment to the wood sport floor industry.

Bona Power Drive®

The Bona Power Drive® is a powerful and flexible machine that can be equipped with many different drive plates for a wide variety of floor preparation.

Key Benefits:

- Ability to utilize throughout the entire sanding process, or follow after initial cut with the Bona Belt® machine
- Achieves the flattest floor with the best scratch pattern for stained or natural floors
- Saves labor time and cost by reducing edging time up to 50-80%
- New 270° LED light improves visibility
- New Multimeter displays voltage, Hz and running hours
- New kickstand allows you to tilt the machine without contacting the floor with the sanding plates when changing accessories and abrasives, protecting the floor from unwanted scratches and prolonging the life of the drive plate
- Extra weights now included allowing you to customize cutting power and sanding aggressiveness
- Atomic DCS® compatible

COATINGS

Whether you're looking for shine, color, slip resistance or durability, Bona has the ideal finishing system for all types of wood sport floors. Since the 1970s, we have been the world's pioneer in waterborne finishes, providing low-VOC, solvent-free solutions for every flooring need.

From a rainbow of gameline paints to our premium finishes, the Bona Sport® finishing system is designed to work as a team to ensure championship beauty, performance and durability for wood floors that take on a vast amount of wear and tear.

On the following pages, you will discover all the finishes you need to create beautiful, durable and easy to maintain wood sport floors.

- Waterborne Sport Floor Sealers
- Waterborne Sport Floor Finishes
- Oil-Modified Sport Floor Sealers
- Oil-Modified Sport Floor Finishes
- Sport Hybrid Systems
- Waterborne Sport Floor Paint
- Oil-modified Sport Floor Paint
- Bona DriFast® Stain
- Applicator Tools

HYBRID SYSTEMS

As the capabilities of our Hybrid Systems improve, the opportunities for wood sport floors increase. By combining waterborne and oil-modified sealer and finish systems, you can reduce dry times and minimize risks, while maintaining superb durability and championship appearance. By blending sealers and paint, you can attain countless colors and looks, achieving unique and eye-catching sport floors. Bona's Hybrid Systems are supported on both newly installed and existing floors.

Bona Sport Oil-Modified Sealer with Waterborne Finish

If your customer is looking to preserve the true gameline paint colors over the duration of the floors lifetime, consider using a Bona oil-modified sealer top-coated with a Bona waterborne finish for the perfect system. This system provides the rich look of oil on maple, while protecting the color's integrity and maintaining high durability standards the Bona finish system offer.

- Keeps graphics vibrant and true
- Minimizes risk of side bonding
- Won't amber/yellow over time, keeping colors brighter and more vibrant

Bona Sport Waterborne Sealer with Oil-Modified Finish

Using Bona's waterborne SuperSport ClearSeal® sealer or Bona SuperSport DTS sealer top coated with Bona's oil-modified sport floor finish will allow for the benefits of using a waterborne system while giving your customers the look and feel of an oil-modified sport floor.

- Higher gloss retention
- Provides authentic foot feel

COATINGS

Custom Gameline Paint Colors

Bona offers two types of gameline paint formulated solely for wood sport floors. Both are available in vibrant, primary colors that are uniquely designed to create or match any custom color through blending.

- Blend infinite custom paint colors
- Fast dry times
- Compatible with both waterborne and oil-modified finish systems

Bona Sport Intense Court Staining

Bona CourtLines® Paint is an oil-modified offering which can be combined with Bona DriFast® Stain to create a unique intense stain system that allows you to achieve deep, rich colors while letting the natural beauty of the wood shine through.

- Deep, rich stains
- Buffable system saves time
- Suggested starting ratio is 2 oz. of paint to a quart of stain

Bona SuperSport Waterborne Tinting & Glazing Systems

By combining two premium Bona waterborne products; Bona SuperSport Paint® and Bona SuperSport ClearSeal® or Bona SuperSport DTS® sealer, you can achieve infinite custom tints which allow the natural grain of the wood to shine.

- Fast dry times
- Tint over large areas at a time
- Suggested starting paint to sealer ratio is 1:4

GYM FLOOR MAINTENANCE

Bona SuperCourt®

Wood Sport Floor Maintenance

PREVENTION:

- Place proper walk-off mats in doorways to keep out dirt and grit.
- Install felt pads on tables and chairs used on hardwood floors.
- Avoid excess moisture from tracked in water, leaks, or over-maintenance such as wet mopping.

DAILY DUSTING & CLEANING:

- Dry dust daily with a Bona SuperCourt® Microfiber Dry Dusting Pad to remove dust, grit or other abrasive particles. DO NOT USE ANY DUST MOP TREATMENTS. Replace or wash dusting pads as necessary.
- Damp mop all spills or spots with a Bona SuperCourt® Microfiber Wet Cleaning Pad dampened with Bona SuperCourt® Cleaner Concentrate. Dilute at the 1:128 ratio.

PERIODIC MAINTENANCE:

(Recommended three times per week, and daily during high traffic/gym use times.)

- Dilute 1 part Bona SuperCourt Cleaner Concentrate to 128 ounces of water for a tacking solution. Wet tack with a Bona SuperCourt Microfiber Wet Cleaning Pad. Be sure to rinse or wash cleaning pad as necessary. Continued use of a soiled cleaning pad will cause streaking.

DEEP CLEANING:

- Shoe marks and scuffs can be removed by using Bona SuperCourt Microfiber Scrubbing Pad with a solution of cleaner concentrate, diluted 1:128.
- Lightly mist the floor with the cleaning solution as you buff. Both sides of the microfiber pads can be used, then should be washed. Continued use of soiled pads will cause streaking.

Wall poster available, ask your Bona sales representative for details.

Bringing out the best in hardwood floors.

At Bona US, we are committed to the lifetime of hardwood floors. We are devoted to providing solutions that keep a floor perfect during its entire life. Through our long commitment and constant search for innovation we offer lasting, sustainable results for professionals and floor owners.

Bona is a family-owned company founded in 1919. With its headquarters in Sweden, Bona is now present in more than 90 countries all over the world through subsidiaries and distributors. We provide products for the installation, maintenance and renovation of hardwood floors throughout their lifetime. Today we have solutions for professionals, homeowners and prefinished manufacturers.
