Bona SuperSport Edge Guard™

An innovative solution to prevent paint bleed during the application process, Bona SuperSport Edge Guard® is designed to give sport contractors the best possible end result. Packaged in one-gallon pails, Bona Edge Guard is used as the first coat of paint after the sealer, ensuring clean, precise lines and saving time and frustration for contractors.

Key Benefits

- Locks tape edge to prevent bleed
- Applies like Bona SuperSport Paint®
- GREENGUARD Gold Certified
- Fast drying
