

Living Building Challenge 4.0 – General Product Disclosure

Date: January 10, 2023

Product: Bona Pacific Filler

Product Information			
Manufacturer:	Bona	Product Number(s):	Varies depending on Color
Product Name:	Pacific Filler	Final Product Manufacturing Location – City, State/Province, Postal Code, and Country	Monroe, NC 28110
CDPH or Other VOC Emissions Compliance Certification (if available):	YES / NO If YES, attach documentation GREENGUARD CERTIFICATION	Technical Staff Contact	Name: Taryn OConnor Phone: 704-218-6921 Email: Taryn.oconnor@bona.com
Wood/Composite Components: FSC COC?	YES / NO or [N/A] If YES, attach documentation	Electrical Components: RoHS or CE compliant?	YES / NO or [N/A] If YES, attach documentation

End of Product Life			
Life Expectancy (years):	5-10 years depending on Maintenance	Percentage weight (%) must go to landfill:	0
Take Back Program:	YES / NO If YES, location:	Percentage weight (%) recyclable:	0
Salvageable/Reusable in Entirety:	YES / NO	Percentage weight (%) hazardous waste and name of component(s):	0

Living Building Challenge 4.0 – General Product Disclosure

Product Materials and Ingredients <i>Please disclose all ingredients at or above the threshold of 100 ppm (0.01% product weight). Please add rows as needed.</i>				
Product Component	Material or Ingredient Name <i>Include alloy number for metal alloys</i>	Material or Ingredient CAS Number <i>See guidance in instructions</i>	Percentage of the Total Product by Weight	Supporting Documentation, if available (SDS, HPD, RoHS, Low Lead, NSF, FSC, etc.)
Pacific Filler	Limestone	1317-65-3	70	
	Water	7732-18-5	25	
	Binders	Proprietary	3	
	Pigments	Proprietary	2	

Have you disclosed 100% of materials and ingredients?	YES / NO
Have you disclosed all ingredients above 100 ppm?	YES / NO

Thank you for contributing to transparency and sustainability in the building materials industry.
