

Bona Wood Floor Cleaner

Economy size refill

Effective streak-free cleaning of wood floors

Bona Wood Floor Cleaner is the perfect solution for spotless floors. This new bio-based formula is gentle but crafted to still remove dirt and grime effectively and with ease, all while being safe on your wood floors. Use this refill for your Bona trigger spray or spray mop bottle for saving both plastic waste and money. The formula is ready-to-use, dries quickly and leaves no residue behind, ensuring a beautiful and streak-free surface every time. But don't just take our word for it. We are best in test - again! Independent lab testing revealed Bona Wood Floor Cleaner outperformed 18 European competitors in removing household dirt.

Bona. Chosen by Experts. Trusted by Families.

- Bio-based formula - New formulation with more than 90% bio-based content* & Safer Choice certification.
- Safe for wood floors - Specially developed to clean wood floors. The pH-balanced solution without dyes and fragrances, is GREENGUARD GOLD certified for better indoor-air quality.
- Cleaner floors - New improved formula removes dirt and grime even more effectively**, leaving no residues or streaks behind. For best results, use with a Bona Floor Mop together with a Bona Microfiber Cleaning Pad.
- Quick & easy - Just refill your bottles and then spray and mop. The ready-to-use formula dries fast to reveal the natural beauty of your floors in no time.

*according to ASTM 6866

**Tested by Bona US Research & Development laboratory on standardised surfaces to compare scrub and streaking performance.

The refills can be used for both Bona Wood Floor Cleaner spray bottle and refillable bottle for spray mops. This will help you save both plastic waste and money.

Certification:	U.S. EPA SAFER CHOICE product GREENGUARD Gold

Note: Bona Wood Floor Cleaner can be used on oiled wood floors. However, as with any form of regular damp cleaning of an oiled wood floor, the protection and appearance will gradually diminish over time. We recommend that oiled floors are treated with a maintenance oil once the floor starts looking dull or worn.
