

Bona SuperSport ClearSeal™

Bona SuperSport ClearSeal™ is a completely clear waterborne sealer that dries quickly, has premium build characteristics and is easy to abrade.

Bona SuperSport ClearSeal™ is a waterborne sealer that dries quickly, has premium build characteristics and is easy to abrade. With a clear formulation and no added pigments, the product highlights the natural beauty of any maple hardwood sport floor. Bona SuperSport ClearSeal provides an initial layer that prevents the finish from penetrating into the wood.

- Superior abrasion properties
- Clear appearance highlights the natural beauty of maple hardwood
- Maintains the appearance of colorants applied prior to seal coat
- Provides a more consistent and uniform wear layer
